- ✓ I have been so impressed with how well our children have settled into school life at St Louis.
- ✓ As new pupils into Sixth Form, they have been welcomed and made to feel at home straight away. We are confident that the standard of teaching and learning that St Louis provides will ensure their future success. Thank you! I have 2 children who have attended St Louis. They have been always happy and I feel that the school has a good work/life balance.

You said - We did.....

- ✓ We needed more car parking facilities so that Sixth Form students could take their cars to school.
There is now a new car park for Sixth Form students only!
- ✓ You said assessments should be before Christmas rather than in January.
We reviewed our whole school assessments for all year groups and moved all assessments to December. This will continue to be reviewed.
- ✓ You said parents need more information on e-safety
We provided an e-safety information evening and hosted parental workshops on the subject.
- ✓ Power point presentations should be made available at all parent information evenings-particularly Year 13, with UCAS information.
Copies of all presentations are now available upon arrival at all information evenings.
- ✓ You said our school canteen needs upgraded and the students have to queue for too long.
From 2018 we will have a cashless cafeteria which will reduce waiting times. We are also continuing to apply to the department of education for funding for a new canteen.
