Dear Principal Rafferty,

I am delighted as Mayor of Mid and East Antrim Borough to write to congratulate St Louis Grammar School, on hearing the fantastic news that the school was named the top grammar school in the Schools League Table.

As the school with the highest percentage of pupils achieving three or more A Levels at grade A* to C, it is clearly evident that St Louis Grammar is not only a hardworking and focused school, it is a school that has a very supportive and passionate Principal, Board of Governors, staff, teachers pupils and parents at its heart. I know that the school's success is a joint effort from all those involved in the school community and would ask you pass on my words of heartfelt congratulations to all those involved.

I wish everyone at St Louis Grammar the very best of success for the future, as you continue to grow and develop, whilst striving to maintain position as a top performing school.

Sincerely yours,

Mayor Councillor Paul Reid
Mid and East Antrim Borough Council
