13th September 2018

Dear Parent/Guardian

As part of our continued drive to enhance communications between school and home, we would like to introduce you to our free personalised School App.

The provider,  will provide a system where parents, students, past pupils and the wider community can access all the latest news and events in St Louis.

The latest school circulars regarding Information Evenings, Parent/Teacher Meetings, School Masses etc. will all be accessed through the App also. Please see promo card for launch, which will be distributed to all students on Friday 14th September.

The App is available for download now from either App Store or Google Play Store. Search "St Louis Grammar School Ballymena" and then select profile ie. parent, select group relating to your child ie. class and save.

It is our intention that all parents/guardians will have the opportunity to download this by Monday 1st October and we will then be able to communicate via the School App from this date onwards.

If there is any reason why this cannot happen or if you have any queries, please get in contact.

Yours faithfully

Mr S. Rafferty
Principal
