18th January 2017

Dear Parent/ Guardian

All Year 12 pupils will be attending the Careers Fair organised by the Antrim and Ballymena Business Education Partnerships. This will take place on the 2nd of March 2017 in Cambridge House Grammar School, Ballymena.

Over 60 exhibitors will be taking part, offering information and advice about possible career pathways at 16+ and 18+. These include representatives from colleges of further and higher education, training providers, universities and employers.

At the Fair, pupils should use the opportunity to ask questions of the experts from higher and further education and the world of work and use the information booklet on the Careers Fair to guide their planning.

To gain most benefit from the event, please encourage your son or daughter to discuss their career plans with you, to think about their abilities, skills and interests, and about their hopes and aspirations for the future.

Pupils will be out of class for 2 periods.

I hope the event will prove to be informative and beneficial to your child's career development.

Please fill out the slip below to give your child permission and return to your form teacher before Tuesday 28th February 2017.

Yours faithfully

Mrs M McAllister
(CEIAG Coordinator)

CAREERS FAIR REPLY SLIP

Name _____ Class _____

I do/ do not wish my child to attend the Careers Fair in Cambridge House Ballymena on 2nd of March 2017.

Signed _____ Parent / Guardian
