

ORGANISATION

Mr Whiteford is the Vice Principal with overall responsibility for Pastoral Care at St Louis. He coordinates the whole network of Pastoral Care in St Louis. The structure of the Pastoral Care system is well developed and includes Year Heads, Form Teachers and School Counsellor.

The Year Head and Form Teacher will have a detailed knowledge of the needs, emotional development, personalised targets and academic attainment of each pupil.

Effective communication between pupils, parents, staff as well as outside agencies is at the heart of our Pastoral Care system at St Louis.

YEAR HEADS

Year Heads have overall responsibility for their year group.

They support, advise and communicate pastoral and academic information to Form Teachers and Heads of Department. They are available to Form Teachers for consultation regarding any individual pupil and in deciding on an appropriate course of action.

FORM TEACHERS

The Form Teacher is the first point of contact for the pupil each morning. This is a time when pupils are registered, absentee notes are collected and the pupil can discuss any worries or concerns they may have with their Form Teacher.

Each form class plans and presents a Year Assembly on a rota basis. Pupils are encouraged to use their talents and skills in a real sense. Themes for assembly are decided taking into account the liturgical calendar.

The Form Teacher is also the first point of contact for the parent. We encourage parents to contact the Form Teacher or Year Head if they have any concerns about their child's welfare or progress in school. Likewise, Form Teachers or Year Heads will contact parents if they have concerns about the pupils in their care.
