### Create a Mini Saga

A piece of writing which has exactly 50 words (excluding title)

It **MUST** tell a story

It needs a beginning, middle and end

It **CANNOT** just be a description of something

Closing date  
Monday 1st  
June

Use one of these extracts from the short-listed books as your story title:

It's all just temporary

My predicament was all too clear, I was a ghost

The smell of a big animal

We all come from somewhere, but in a way I come from nowhere

She's the most powerful engine in the world

There were a series of beeps and a clunk and the doors opened
