Cullybackey Road  
BALLYMENA  
BT43 5DW

1 February 2017

Dear Parent/Guardian

Liberty IT develop and support a wide range of specialist and enterprise scale applications and websites in response to the business needs of our parent company, Liberty Mutual Insurance. Utilising numerous platforms, including .Net and Java, they work at all levels from server-side to rich internet application GUIs, providing many job opportunities.

As a partner school to the company, Liberty IT has kindly invited us up to view their working environment for a tour of their office, interactive demonstrations, live tech talk conferences, day in the life presentations and interactive sessions.

Human Resources will be involved and will focus on the recruitment practices in the ICT industry and the skills shortages they are currently experiencing.

Pupils will be leaving school at 9.30 a.m. on **7 March 2017** and returning at 1.15 p.m. Full school uniform must be worn. The completed reply slip must be submitted directly to Mrs McAllister during registration as soon as possible

This will be a very worthwhile trip for any pupil considering a career in ICT or an ICT related discipline.

Yours faithfully

M McAllister  
CEIAG Coordinator

---

## REPLY SLIP

I do/do not allow my child to attend the trip to Liberty IT on **7 March 2017**.
