NOTES PAGE

Please note that the charges for Services 1 and 2 are for each script (paper) requested and not for all the scripts in a subject.

A fee will not be charged for these services in the following circumstances:

1. If the Review results in a change to an **overall** subject grade (up or down) **when a candidate has cashed-in**. No charge will apply to **any** units requested for the subject.
2. If the Review results in a change to the **notional** unit grade (up or down). No charge will apply to the individual unit **only**.

SERVICES INFORMATION

Service 1: Clerical re-check

A clerical re-check of a script and a statement of marks for the component/unit.

Service 2: Review of Marking by Component/Unit (i.e. by script/paper)

A review of marking of an externally assessed component (i.e. a script or other assessed item) for an individual candidate, including a clerical re-check and a breakdown of marks for that component/unit. A digital copy of the reviewed script will be available on request and will be uploaded to the Post Results application.

Access to Scripts

When requesting Access to Scripts, candidates should note that CCEA's quality assurance checks on scripts before dispatch may result in a change of mark. Marks may go up as well as down and candidates should be made aware of this before signing the request form.

The corresponding Mark Scheme will accompany all Access to Scripts request types. All scripts will be provided as digital copies and will be uploaded to the Post Results application.

Appeals

If a centre intends to apply for an examination appeal, they should request a digital copy of the script after it has been reviewed as part of the Post Results Service 2 option.

Please note that the digital copy to support teaching and learning service is not suitable for this purpose as these scripts are not released until after the Review of Marking period has closed. This may be too late to support an appeal.
