

# SLG CAREERS BULLETIN

Dear Parent/Guardian

07/11/2025

Please see information below that details events linked to Careers Education, Information, Advice and Guidance.

**SLG Career Bulletins are available on the school app and school website. Students can also access this information on their Year Group TEAMS.**

## UCAS

Students who have received feedback on their personal statements should now:

- Upload their updated personal statement to their UCAS application.
- Check that all qualifications and course details on their UCAS application are accurate and up to date.
- Submit their completed UCAS application form.

Thank you to all students who have already submitted their UCAS applications to universities — and have already received offers!

## FAO Yr14 who have applied to Medicine and Dentistry Courses at University

A Mock MMI Interview will take place on **Wednesday 19th November 2025 at 6:30pm**. Students who have been invited to take part should ensure they are available and prepared to attend this valuable opportunity.

## Careers Service NI

Students in Year 12 are continuing to meet with our representative from the Careers Service NI to discuss career aspirations and post-16 options.

## MSAT Ulster is now open for registration for 2026 entry.

Please click the links below to view full information on testing dates, locations as well as information about reasonable adjustments for candidates. The deadline for registration is **5pm on 4th February 2026**.

If you have any questions about the test, please contact [msat@acer.org](mailto:msat@acer.org)

## LIVE WEBINARS WITH LJMU THIS DECEMBER

The following live sessions are open to students, parents and guardians and are a great way to discover more about subjects of interest and real world issues, career opportunities and university life.

### Cyber Security Taster: Exploring the rise in Cybercrime

**Monday 1 December** | 5:30pm – 6:15pm

From fake K-pop merchandise to AI-generated deepfakes and Snapchat impersonations, cyber criminals have developed lots of ways to exploit hype, trust, and technology to deceive.

### Biochemistry and Biotechnology taster: diagnosing and treating mitochondrial disease

**Tuesday 9 December** | 5:30pm – 6:15pm

Mitochondrial disease affects more than 1 in 5,000 people in the UK. Join our academic staff Dr. Gavin McStay and Dr. Iain P. Hargreaves as they explore the cutting edge role of biochemistry and biotechnology in tackling the diagnosis and treatment of this heterogeneous disorder.
